Re: Letter of Recommendation- Jeanie Vela

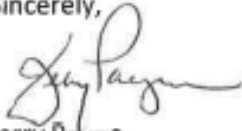

To Whom It May Concern:

I am extremely pleased to write this letter of recommendation for Jeanie Vela. Jeanie and I have worked together as Board members for the Texas Academy of Faith & Arts, located in Arlington, Texas. It has been a pleasure working with Jeanie over the last couple years and I have found her to be a delightful, energetic, and enthusiastic individual who is passionate in supporting the mission of the academy.

Jeanie has been especially invaluable in helping this organization transition through some very difficult challenges in the growth and relocation of the academy. Her wisdom and insight, along with the input of other Board members, allowed the Board to develop strategies to allow those changes to be proactive and positive. Jeanie is also an accomplished multitasker who has been able to handle several projects with enthusiasm and attention to details. She has provided incredible creativity and insight for various areas including marketing, strategic planning and fund-raising, while ensuring the efficacy of many projects.

Jeanie is truly results-oriented and resourceful, very willing to try different strategies and receptive to others' input to meet the organizational goals. I can truly attest to the character and dedication in all Jeanie strives to do. She is very talented, service-oriented and is a generous individual who is truly inspirational within the context of any organization fortunate to be associated with her.

Sincerely,

Jerry Payne
